

## 2021/2022 Publications

The Leicestershire Industrial History Society has been around since 1969 and is a friendly group of people interested in Leicester and Leicestershire Industrial Heritage. We try and aim to make sure our historic past is always remembered and also try to ensure that what links and artefacts of our considerable industrial history remain are retained for the benefit of future generations.

Our publications for 2021/2022 cover a wide range of subjects and are in various formats. For convenience, colours are used in this catalogue to differentiate between these formats.

Video DVDs: RED

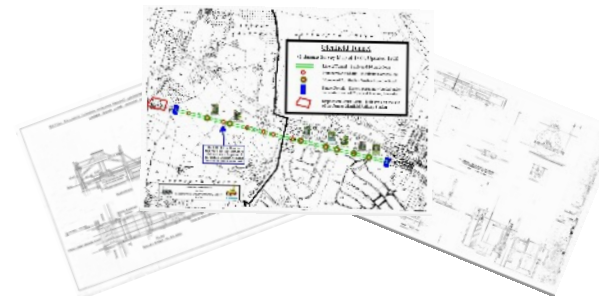

Printed books: BLUE

pdf's: GREEN

Our evening talks (September to April) are usually on the 3<sup>rd</sup> Tuesday of each month, whereby carefully selected speakers give presentations on a diverse range of subjects that (we hope!) will appeal to our Members. **For the foreseeable future, all talks are held via Zoom – please see [www.lihs.org.uk](http://www.lihs.org.uk) for further details.**

### Interested in joining LIHS?

The membership leaflet is available to download from [www.lihs.org.uk/about\\_lihs.html](http://www.lihs.org.uk/about_lihs.html)

Maps & Plans: PURPLE

Miscellaneous items: ORANGE
